# International Research Workshop in Oncosexology

March 24, 2023  
online & free participation

In cooperation with the Salzburg Cancer Research Institute the **Austrian Academy für Sexual Medicine** invites you to apply to this unique workshop. The International Research Workshop in Oncosexology **aims to support researchers by connecting them to experienced experts in the field.**

## > Your benefit

You have the opportunity to present and discuss your planned, ongoing or recently finalized research project in individual sessions with the workshop faculty.

## > Who can apply

Medical doctors, psychooncologists, social scientists, including PhD students, and Early Career Researchers, who are involved in oncological, oncosexological, radiooncological, or psychooncological research.

## > How to apply

Please send a brief one-page curriculum vitae, a summary of your research or proposal (up to 500 words), and a brief cover letter explaining the relevance and background of your research.

## > Deadline for applications

**March 20, 2023**

For the option of booking a session on a different date, please email [info@oeasm.at](mailto:info@oeasm.at)
